

Declaration of consent for the collection and processing of data by asecos GmbH and for the transmission of personal data

A responsible handling of the personal data of website visitors is undertaken by asecos GmbH as a matter of course. As long as asecos receives, processes and uses personal data from users, this is done in compliance with the applicable national and European data protection regulations. You can find detailed information in the [Data Protection Policy](#) of asecos GmbH.

Consent of the website visitor (referred to as "I" in the following)

By confirming this declaration of consent, I expressly declare my consent to the use of the data for the stated purpose.

I agree that my personal data will be stored by asecos GmbH and used by an asecos staff member to process my inquiry and contact me by telephone, post or e-mail. I can withdraw my consent at asecos at any time free of charge and without any disadvantage with effect for the future. For this suffices for example an informal message by e-mail to info@asecos.com.

I further agree that asecos GmbH transmits my contact details as well as my concerns to the specialist dealer named by me or one determined by asecos. The transmission takes place exclusively for the purpose of the establishment of contact by the specialized dealer and for the clarification of my concern communicated with asecos. I can withdraw my consent at any stage. In this case, asecos will refrain from the transmission of my data or, if the transmission has already taken place, will work towards the deletion of my data held by the relevant specialist dealer.

As long as I have explicitly requested the sending of the newsletter in the contact form, I agree that the asecos GmbH newsletter can be sent to me by e-mail and assess my clicking behaviour (openings and clicks) in order to deliver the content that suits my interests. I can revoke this consent at any time for free with a click on the "unsubscribe" link, which I can find in each newsletter issue.
